

STEEL KEGS.

GOOD FOR BUSINESS.
GOOD FOR THE PLANET.

Draft beer does more than deliver cold fresh beer to our customers. It also delivers higher profit margins to the restaurant. And, as the most sustainable, reusable container in the industry, kegs save over 6 BILLION single-use containers from waste streams, EVERY YEAR!

SO, TOGETHER, LET'S TAP INTO SOMETHING GREAT.

GET THE FACTS ABOUT THE SUSTAINABILITY BENEFITS OF STEEL KEGS AT STEELKEGS.ORG
